Overeaters Anonymous has designated December 12 (12/12) as International Twelfth Step Within Day. The purpose is to encourage OA service bodies, meetings, and individual members to reach out to those within the Fellowship who are still suffering from compulsive eating behaviors.

This 24-hour event will bring experience, strength, and hope from speakers from around the world. Virtual information to follow when available.

Together we can do what we could never do alone. No longer is there
a sense of hopelessness; no longer must we each depend upon our own
unsteady will power. We are all together now, reaching out our hands,
for a power and strength greater than ours, and as we join hands we find
love and understanding beyond our wildest dreams
